When hosting a third-party event for Special Olympics Kansas, it's essential to follow our brand identity guidelines to ensure consistent and appropriate use of our logo and branding. Please remember: Do not use the Special Olympics symbol by itself, the logo must always include "Kansas," do not create custom logos that include Special Olympics Kansas, only use current, approved versions of our logos, the colors of the logos should not be altered.

If you have any questions, please reach out to pr@soks.org for guidance. Thank you for helping us maintain our brand integrity!
